About

Fi7i as pronounced as Fizi.
A DJ and producer based
in Kuala Lumpur.

Having a lust for disco,
Fi7i sets are generally
catered to a crowd that
enjoys dancing and reliving
a past they probably wished
they lived in, the 80s.

Influenced by
the music from
70's to 80's,

Bound to get you surfing the
Vaporwave of Future Funk.

Do edits and flips
on old Malay songs,
